Blackheath and Thornburgh College Accommodation and Welfare policy

Blackheath and Thornburgh College approves the following accommodation options for overseas students:

1. The student will live with a parent or relative as permitted by Department of Immigration

In this case:

- i. The School does not provide a welfare letter (CAAW) via PRISMS. The student's family provides proof of relationship to Department of Immigration for the purposes of visa application.
- ii. If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a [Student Guardian visa \(subclass 580\)](#), all obligations and conditions of this visa must be met, including:
 - o not leaving Australia without the nominating student unless the School has first approved alternative welfare and accommodation arrangements for the student for the adult's period of absence, and
 - o advising the Department of Immigration of any change of address, passport or other changes of circumstances.

2. **The student will live in school approved accommodation and the School will generate the welfare letter (CAAW) via PRISMS to accompany the student's Confirmation of Enrolment (CoE).**

In this case:

- i. Any accommodation, welfare and other support arrangements for the student must be approved by the School, including arrangements provided by third parties
- ii. Any changes to approved arrangements must also be approved by the School. **This includes any requests by students under 18 years of age to attend "Schoolies Week" on completion of Year 12**
- iii. If a student for whom the School has issued a CAAW refuses to maintain approved arrangements, the School will report this to the Department of Immigration and advise the student to contact the Department of Immigration to ensure visa implications are understood. STUDENT GUARDIAN VISAS

Blackheath and Thornburgh College requires holders of Student Guardian Visas to:

- ii. immediately advise the School of any change to address or contact details
- iii. immediately advise the School if there are any compassionate or compelling reasons to travel overseas or not be at home for an extended period of time to care for the student.

If there is a valid reason for travelling overseas, and the School is able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the School will provide documentation approving temporary care arrangements for the student for the Department of Immigration.

If there is not a valid reason for travelling overseas, or if the School is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, the School will advise if compulsory attendance requirements will or will not be affected by the student's absence.
